3. [REDACTED] Called Mr. Ed Braswell, Senate Armed Services staff, and was advised that he is out of the city. I will contact him on his scheduled return Monday.

4. [REDACTED] Miss Comm, in the office of Representative Charles E. Chamberlain, called to say a constituent had written to the Congressman saying he understood U-2 flights were against international law and, therefore, questioned why they were being flown. I suggested to Miss Comm that without reference to the Agency they send their constituent a copy of the Senate Space Committee's study entitled "Legal Problems of Space Exploration." She thanked me for this suggestion.
